## VISION FOR RECONCILIATION

At Rossbourne School, we envision a future where reconciliation is not just a goal but a lived reality. Our vision is for an inclusive inter-cultural relationship between Aboriginal and Torres Strait Islander and non-Indigenous Australians based on common respect and recognition of the enduring value of First Peoples' knowledges, histories and cultures. We strive for every member of our community to be empowered to understand, respect, and celebrate the rich cultural heritage and enduring contributions of Aboriginal and Torres Strait Islander peoples within our local and broader communities. As a neurodivergent school, we celebrate diversity and recognise the importance of creating an inclusive environment where every individual feels valued and respected for who they are, especially Aboriginal and Torres Strait Islander people. Through our RAP, we aim to actively engage all students, staff, and the broader community in learning about and understanding the rich cultural heritages and perspectives of Aboriginal and Torres Strait Islander peoples. By fostering empathy, respect, and a shared commitment to reconciliation, Rossbourne School is playing a vital role in building a more harmonious and inclusive society for present and future generations.

Reconciliation is about the rightful recognition of Aboriginal and Torres Strait Islander Peoples as the Traditional Custodians of the Land and respecting and acknowledging their contributions to Australian society. It involves truth-telling and building mutually respectful relationships between Aboriginal and Torres Strait Islander Peoples and all other Australians. Achieving reconciliation requires raising awareness and knowledge about First Nations histories and cultures and evolving perspectives. At Rossbourne we:

- Commit to being a community which respects the human rights of all people, but also respects and promotes the rights of Aboriginal and Torres Strait Islander Peoples as the First Peoples of the Land
- Respectfully incorporate Aboriginal and Torres Strait Islander perspectives throughout the curriculum, the built environment, in pedagogical practices, professional development, student experiences and community engagement.
- Recognise past injustices and ongoing inequality through truth-telling and commit to working towards a shared future that values and honours First Nations students and families within the school community.
- Embrace the cultures, histories, language, spirituality and connections to Country of Aboriginal and Torres Strait Islander people as a means of respecting and acknowledging First Nations students and families.

- Acknowledge the special relationships between Aboriginal and Torres Strait Islander Peoples and the Land.

## ACKNOWLEDGEMENT OF COUNTRY

We acknowledge that we learn, grow, thrive and live on Wurundjeri Country. We are grateful for the opportunity to live and learn on this ancient Land that Rossbourne School is situated on. From the tops of the beautiful Manna gums to the nearby waterways including the iconic Yarra River and the wildlife that live among it. We acknowledge Traditional Custodians of this Land and pay our respects to Elders past, present and emerging.

RAP ACTIONS	COMMITMENT
Aboriginal and Torres Strait Islander People in the Classroom	We are committed to engaging Aboriginal and Torres Strait Islander people in our learning activities. Having Aboriginal and Torres Strait Islander voices in learning environments is vital when teaching about Aboriginal and Torres Strait Islander histories and cultures.
Opportunities for Aboriginal and Torres Strait Islander Students and Children	We commit to providing opportunities for all Aboriginal and Torres Strait Islander students to celebrate their cultural identities. These opportunities positively impact the wellbeing of Aboriginal and Torres Strait Islander students and children, and create shared pride for Aboriginal and Torres Strait Islander cultures, contributions, identities and histories in the wider school community.

RAP ACTIONS	COMMITMENT
Aboriginal and Torres Strait Islander Representation on Committees	We commit to inviting Aboriginal and Torres Strait Islander staff, parents/carers and community members to be active representatives on our school's committees. We commit to ensuring Aboriginal and Torres Strait Islander perspectives inform decision-making processes by respecting the experiences and knowledge that Aboriginal and Torres Strait Islander peoples can bring to our committees.
Elders and Traditional Owners Share Histories and Cultures	We are committed to forging a meaningful and ongoing relationship with local Aboriginal and Torres Strait Islander Elders, and people recognised in their community as Traditional Owners. We hope this relationship can be of mutual benefit, and that local Elders and Traditional Owners will feel safe, and confident, to share their historical and cultural knowledge with our staff, students and children.
Cultural Responsiveness for Staff	We are supported to reflect on and build our cultural responsiveness to improve our practice and best support the needs of Aboriginal and Torres Strait Islander students. We are provided with a range of opportunities to build our knowledge and understanding of our own positionality and Aboriginal and Torres Strait Islander perspectives, contributions and cultures.

RAP ACTIONS	COMMITMENT
Reconciliation Projects	Our school will collaborate on projects that visibly and authentically embed Aboriginal and Torres Strait Islander histories and cultures in learning programs and the physical environment. Through this culture of collaboration across the school and with the community, we commit to creating an environment where young people, staff and community members acknowledge, respect and experience connection to the First Australians.

RAP ACTIONS	COMMITMENT
Welcome to Country	Where appropriate, significant events at our school commence with a Welcome to Country. Protocols for welcoming visitors to Country have been a part of Aboriginal and Torres Strait Islander cultures for thousands of years. By incorporating these protocols into formal events and important occasions, we recognise Aboriginal and Torres Strait Islander peoples as the First Australians and Custodians of the Land.
Celebrate National Reconciliation Week	Our school community celebrates National Reconciliation Week (NRW) which is held from 27 May to 3 June each year by talking about reconciliation in the classroom and around the school, and celebrating with the community. NRW is a time for all Australians to learn about our shared histories, cultures and achievements and to explore how each of us can join the national reconciliation effort.
Build Relationships with Community	We commit to forming ongoing relationships with the local Aboriginal and Torres Strait Islander community. Our relationships will be built on mutual respect, trust and inclusiveness. We respect these relationships and the way they make opportunities for Aboriginal and Torres Strait Islander peoples and non-Indigenous staff, students, children and the community.

RAP ACTIONS	COMMITMENT
Teach about Reconciliation	Our school community is committed to learning about reconciliation in Australia. Having an understanding of the concept, history and progress of reconciliation is an important part of continuing the reconciliation journey. This understanding also helps to strengthen engagement with our school's RAP by positioning it within the broader story of reconciliation in Australia.
Teach about Days of National Significance	We commit to incorporating nationally significant days for Aboriginal and Torres Strait Islander peoples and reconciliation into our curriculum to increase knowledge of Aboriginal and Torres Strait Islander histories, cultures, contributions and contemporary issues. We also commit to including Aboriginal and Torres Strait Islander perspectives when teaching about other national days, such as 26 January (Australia Day) and ANZAC Day.
Explore Current Affairs and Issues	We commit to knowing the news and being responsive to current issues significant to Aboriginal and Torres Strait Islander peoples and the process of reconciliation. We will do this through delivering our curriculum, policies and procedures, and integrating it into the way our school operates.

RAP ACTIONS	COMMITMENT
Acknowledgement of Country	Our school recognises the continuing connection of Aboriginal and Torres Strait Islander peoples to the Country on which we live, work, learn and grow. All staff and students have the opportunity to show respect to Traditional Owners and Custodians by regularly conducting an Acknowledgement of Country at meetings and events throughout the year.
Visibly Demonstrate Respect for Aboriginal and Torres Strait Islander Cultures	We commit to demonstrating our respect for Aboriginal and Torres Strait Islander histories and cultures in the physical environment of our school. We understand that making our respect visible in the learning environment through the incorporation of meaningful, relevant and culturally appropriate art, artefacts and symbolism reinforces our work toward reconciliation. It also makes our intentions and actions clear to our students, parents and the broader community.

RAP ACTIONS	COMMITMENT
Aboriginal and Torres Strait Islander Flags	Our school flies/displays the Aboriginal and Torres Strait Islander flag at your school to demonstrate respect and recognition for the histories, cultures and contributions of the First Peoples of Australia. Flying or displaying the flags promotes a sense of community partnership and a commitment toward reconciliation.
RAP Launch	Our school is proud to launch our RAP at an event that recognises the efforts of the working group and celebrates our school or service's commitment to reconciliation. We will use our RAP launch event to inform the wider community about our RAP and the many different ways they can get involved and take action toward reconciliation.
Take Action Against Racism	We will raise awareness of racism, its impacts and how to respond effectively when it happens. We will do this through an anti-racism strategy tailored to the needs of our school.

RAP ACTIONS	COMMITMENT
Curriculum Planning	Aboriginal and Torres Strait Islander histories and cultures are a key, ongoing part of curriculum planning, development and evaluation across all year levels and learning areas. We will review curriculum documents to find out where we include Aboriginal and Torres Strait Islander histories and cultures, and to what extent and where we could include Aboriginal and Torres Strait Islander histories, cultures and contributions in the curriculum.

RAP ACTIONS	COMMITMENT
Inclusive Policies	All staff at school are aware of policies referring to improving educational outcomes for Aboriginal and Torres Strait Islander people and building knowledge of, and respect for, Aboriginal and Torres Strait Islander histories and cultures in Australia. When internal policies are reviewed and developed, we will ensure that they are inclusive of Aboriginal and Torres Strait Islander peoples and perspectives, and that there is a plan in place to ensure that all staff comply with these policies in their daily practice.
Staff Engagement with RAP	Commitment to the Reconciliation Action Plan (RAP) from all staff is essential for developing a RAP that is implemented in a meaningful and sustainable way. All staff will be involved in the ongoing development and implementation of our RAP through staff development opportunities facilitated by the RAP Working Group.
RAP Budget Allocation	We have set aside dedicated funds from within our budget to procure relevant goods and services that strengthen the sustainability of our RAP Actions. Staff are aware that it is important to consider remuneration for people who have been involved in RAP initiatives out of respect for the time and resources that they have contributed.

## WITH THE COMMUNITY

RAP ACTIONS	COMMITMENT
Celebrate RAP Progress	We are committed to reflecting on the progress made in the growth of knowledge and pride in Aboriginal and Torres Strait Islander histories, cultures and contributions in our school. We will track the progress of our RAP, continually revisit our commitments, and celebrate our achievements, while generating new ideas to develop and sustain our RAP into the future.
Support Aboriginal and Torres Strait Islander Owned Businesses	We promote supplier diversity and support Aboriginal and Torres Strait Islander owned businesses and their employees through the procurement of goods and services related to our RAP, as well as our general business. We maintain a list of local, regional, state-based and national Aboriginal and Torres Strait Islander owned businesses to accompany procurement policies and procedures.
Aboriginal and Torres Strait Islander Languages	We commit to providing students and children with a deeper knowledge and understanding of Aboriginal and Torres Strait Islander cultures and identities by learning about Aboriginal and Torres Strait Islander languages. We acknowledge the importance of language maintenance and revitalisation efforts and will provide students and children with opportunities to learn – or learn about – the First Language of their local area.
